## WE ARE ONE

**Week of Compassion  
Special Offering  
is February 16**

### Worship Sunday, Feb. 16

Rev. Brad Stagg is back in the pulpit this Sunday with a sermon entitled "The Field" based upon texts from Deuteronomy 30:15-20 and 1 Corinthians 3:1-9. The choir anthem for the 10:30 service is a pastoral piece that weaves two faith songs into the anthem entitled *Bread and Wine of Life (with As the Deer)*. The hymn *They'll Know We Are Christians* will be a familiar reminder of warm summer camp and our call to be disciples. *O Jesus, I Have Promised* and *I'm Gonna Eat at the Welcome Table* will continue our singing.

Dear Friends,

In this age of discord and division, the earnest words of Jesus' farewell prayer on behalf of his followers could not feel more relevant or more urgent. "The glory that you have given me I have given them, so that they may be one, as we are one, I in them and you in me, that they may become completely one, so that the world may know that you have sent me and have loved them even as you have loved me" (John 17:22-23). With his beloved disciples during the Last Supper, Jesus prays for connection and unity. Perhaps he knew that understanding our oneness would be one of our greatest challenges as human beings, and that is why one of his very last acts was to pray for unity. When we understand that we are of God, created by none other than the Creator of all creation, and that we are thus beloved, we reconnect to ourselves, to one another, and to our Divine Parent.

**Week of Compassion:** For 70 years now, nine denominations in the U.S., united as one, have been connecting people through the Ecumenical One Great Hour of Sharing of which Week of Compassion is a part.

The woman who has been a victim of war, attempting on her own to raise her family without any access to long-term food security, education, or health care, is now self-sufficient because of assistance from Week of Compassion. Families across North America, still struggling to survive after a devastating storm took everything in its path, are accompanied for the long haul, thanks to funds from Week of Compassion. Each time a gift is given, a connection is made. Every single offering builds another bridge and tears down another wall. Each donation to Week of Compassion, no matter how large or small, reveals our unity, that in Christ Jesus we are one family. When one of us — anywhere on earth — hurts, we all hurt. As long as there is need, we are all in need. Week of Compassion enables us to fulfill those needs, for they are our needs. This coming Sunday, come and hear more...

And, be ready to give.

## Bit from Brad

Ever since Hippocrates (400 B.C.) to the 20<sup>th</sup> century work of Carl Jung, social scientists have studied the human mind and examined the differences between human personalities. One of the later 20<sup>th</sup> century models for studying personality types is the MBTI (Myers-Briggs Temperament Indicator) an inventory diagnostic tool used to help differentiate individuals. I'll never forget the day in seminary when my Pastoral Care & Counseling professor sat down with me and shared that I was an ENTP/J, which means that I'm an Extravert, intuitive, Thinking, and borderline between Perceiving/Judging.

While at the time I may not have fully appreciated my professor's insight into my personality, I've since discovered many advantages as well as gained my own insights from his wisdom. While the MBTI neither claims nor tries to explain all differences between the 7 billion people currently walking the earth, it does provide insight into our personalities. The MBTI works on four major continuums: Extrovert/Introvert; Sensing/Intuitive; Feeling/Thinking; and Perceiving/Judging.

Extroverts and Introverts are not about who is gregarious and who's shy. Rather it's about where we get our energy; Extroverts are energized by being with people, Introverts recharge when they are alone. Sensing and Intuitive refers to how individuals gather information. Sensing individuals gather & process information from their five senses, whereas Intuitive types rely more theory, "their gut," and are usually future-oriented. Feeling and Thinking refers to how people make decisions. While both are very rational types, Feeling people tend to be more empathetic whereas Thinking people tend to be more detached and rely on logic. Perceiving and Judging refers to how one lives one's outer life. Judging types, are not judgmental, instead they prefer a more structured and decided lifestyle, whereas Perceiving types favor a more flexible, adaptable lifestyle.

Spiritual-development Protestant thinkers, Urban Holmes and Corinne Ware, and Spiritual-development Catholic thinkers, Chester Michael and Marie Norrisey, have adapted the MBTI personality types and applied them to the spiritual life, particularly as it relates to Prayer Forms and Spiritual Development. In other words, just as personality types relate with others at work and home

differently, so too do we relate to God and others of the faith differently based upon on our personality types.

If you would like to know more about personality types, prayer patterns, and spiritual development, I invite you come check out my class, "Discover Your Spiritual Type", based on Corinne Ware's book on Wednesday, February 19 at 6:15 in Morris Parlor. It's fun and enlightening! ~Blessings, Brad

## Alex. Barton. 12 Disciples in a Bus.

Join church friends for a tour of a lifetime! The Disciples History Tour to Bethany and Cane Ridge is April 7-11, 2014. There are up to 6 spots left in the bus. Talk to Jimmy Spear to claim one!

## Volunteer Opportunity: Sunday Night Door Keeper

Sunday afternoon/evenings are a busy time at the church. Children's Choir, Youth Bells, and Youth Groups gather at different points from 4:15-6:30 p.m. It becomes difficult to manage an open door for people to enter and maintain the safety of those inside with an unlocked, unwatched door at the Fellowship Hall/Portico entrance.

We are in need of a church member to be present at this door -- welcoming kids and monitoring the door when kids/groups go upstairs.

Talk to Jimmy Spear if you would like to volunteer a Sunday a month. Bring your nook/ipad and read/use the church wifi!

## Raising a Heifer Ark

This year the World Outreach Department has decided to raise \$5,000 for a Heifer Ark in honor of Rev. Jimmy Spear. Jimmy takes care of us in so many amazing ways we want to honor him in this way. Our goal is to raise this money by the end of December 2014 so we give him a plaque to hang on his wall to celebrate the ways we will help many people around the world. A flock of geese or a trio of rabbits will make a great Valentine's Day gift or birthday gift for a friend or family member. This will be the gift that keeps on giving. Make your check to First Christian Church and in the memo section write "Gift Ark." The children will be learning more about Heifer in the months to come. If you want to do some activities at home with your family, check out the Heifer International website for more details at [www.heifer.org](http://www.heifer.org). You will also see how your gift will make a difference in people's lives. ~World Outreach Department

## Room At The Inn Update:

Thank you, thank you, FCC worshipers for your many donations to the Room at the Inn Winter Shelter!! As Jimmy and Brad so eloquently stated yesterday, "Y'all are the salt of the earth!" We have received a wonderful assortment of staples, food, toiletries, and clothing....as well as generous cash donations! The winter shelter has been at full capacity most nights due to the winter weather and all donations have been much appreciated and put to good use! I will still be accepting donations through the end of February...it is possible the shelter will stay open into March due to the severity of the winter weather. If you have any questions regarding the Room at the Inn Winter Shelter, please contact me at 573-289-0072. Blessings to each of you! ~Sarah Storm
